

Travel Medicine Society of Ireland

Aims & Objectives

To assist members in maintaining an up-to-date cohesive approach in the business of providing health care for the international traveller.

To act as an expert body for the dissemination of all aspects of health care information for the international traveller.

Membership

The membership of the society is open to all those involved in providing health care for the international traveller.

Information

Any additional information relating to the Society may be obtained from the Secretary:

Mrs. Anne Redmond

Travel Medicine Society of Ireland

Goals

To address the health problems encountered by all travellers, including tourists, business travellers, diplomats, crew members, Military personnel, expatriates, refugees, migrants, members and employees of voluntary and relief organisations, and of international corporations and organisations.

To provide a scientific focus for those interested in travel medicine.

To stimulate the practice of travel medicine at a high professional level.

To organise regular scientific conferences.

To promote free and rapid exchange of information on travel medicine issues.

To facilitate international contacts between practitioners of travel medicine

To promote conditions that allow travellers to remain healthy in co-operation with national and international public health authorities and organisations, the media, the travel industry and travel organisations.
